

This is to establish the method for timely and appropriate regulations to be created for the guidance of the officers, committees and members of the New Brunswick Massotherapy Association.

1. The authority for the creation and amendment of all regulations governing the New Brunswick Massotherapy Association shall be vested in the Board.
2. All regulations and amendments shall be drafted by the Parliamentarian at the direction of the Board and shall be approved by it prior to implementation.
3. Upon approval all Regulations shall be translated into both official languages.
4. Members of the Association are welcome to suggest regulation creation or amendment to the Board who shall consider such suggestions in a timely manner.
5. All regulations and amendments thereto shall be distributed to all members of the Boards in both official languages.
6. All regulations and amendments thereto shall be published in both official languages in the open portion of the Association web site to provide access to them by the members and the public at large.
