To Prospective Members of NBMA

Dear Applicant:

RE: Participation in the MEDAVIE BLUE CROSS HEALTH PLAN

NBMA is proud to be a leader in the provision of benefits to its membership. We have an agreement with MEDAVIE BLUE CROSS to provide an excellent Health, Vision and Dental Plan at very reasonable rates. We are the first massage therapy association in Canada to offer such a plan.

For the plan to be successful, it is important that we have as many of our members enrolled as possible. This ensures the most attractive rates and benefits and is the reason that we promote participation in the Plan. Consider the fact that you may be perfectly healthy today, however, what will tomorrow bring? As a plan member you will have the security in knowing that your future health needs are protected. Until further notice, there is no requirement to provide proof of insurability.

Regardless of your decision to participate or not in the above-noted Health Plan, NBMA will be very pleased to welcome you into this association. Our commitment remains, as always, to offer the highest level of service to all of our members.

Yours truly

Fred Lawson

NBMA Executive Director
